# New York State Pain Society Annual Meeting Exhibitors 2018

(Alphabetical Roster)

Acutis Diagnostics combines hard science practiced by our scientists and technologists, with the soft skills possessed by our support staff and sales specialists. We're a company pursuing innovative testing technologies, strategies, and processes, all conceived to enhance clinicians' judgments, and so help the medical community make better decisions. [www.acutisdiagnostics.com](http://www.acutisdiagnostics.com)

At Accutox Medical Diagnostics - Premier DNA, we offer research and genetic testing for physicians and healthcare groups. As you may know, personalized medicine introduces the ability to use molecular markers that signal disease risk and it offers the opportunity to focus on prevention and early intervention rather than on reaction at advanced stages of disease. [www.premierdna.com](http://www.premierdna.com)

AIS Pain Care is the industry leader in injectable medications for patients with implanted intrathecal pain pumps. Founded in 1998, AIS has a new state of the art pharmacy and clean room in Jackson, MS. AIS is USP 797 compliant and licensed to provide medications to all 50 states and Puerto Rico. Our patient first, always approach combined with knowledgeable and experienced pharmacists with over 225 years of experience can meet all your intrathecal needs, 24 hours a day, 7 days a week. [www.aispaincare.com](http://www.aispaincare.com)
